To Free ride means to be free to decide where to leave ones trail on untouched slopes of powder snow. Whether you ride a snow crawler to the wide, untapped mountain tops, or walk up on fur lined skies, or whether you choose just to head for the slopes next to the lift, it's all up to you. We will adapt to your level of ability as your safety and joy is our priority. With us you will learn the correct technique used on different types of slopes and snow conditions. Relish the beauty of untouched nature!

Equipment:

Prerequisites include:

Avalanche transceiver, sensor and shovel are obligatory when free riding.

We recommend carrying an avalanche airbag and a helmet.

Depending on the desired means of advancement: Skis with appropriate ski tour binding and ski tour shoes.

Service

All operations and organization are undertaken by trained ski instructors holding a diploma in their field. All costs covering your journey, your stay and catering will have to be covered by you.

Prerequisites

Ability to ski on all types of slopes is required.

To bring along:

The appropriate gear is essential. It would be best to wear active breathing apparel so any developing dampness can be pressed towards the outside so the body remains dry. The 'onion system' has proven to be quite successful over time. These are different layers of clothing that can be taken of and put on very easily at all times.

Insurance:

You will be accompanied by well trained skiing instructors holding a diploma in their field. If their instructions are followed there is a very low risk of being involved in an accident. You are required to have a valid health insurance for all accidents for any eventualities.

Operating schedule Info's:

Please call us a day before between 16:00 and 18:00 to confirm the meeting point.

Hotline: +43 664 390 00 90

Annulations:

Please observe our annulations terms under Snowsports Kitzbühel general terms and conditions: www.snowsports-kitzbuehel.at

Postponement
